

THE ROCKS WILL NOT HIDE YOU

1.

ISRAEL & ITS ALLIES ARE COMMITTING GENOCIDE

How was this done?

-

By intention.

And by the absence of intention.

By a shared currency
of corruption.

By collusion.

-

In the hubris
of imperial schemes
for domination. For
corporate theft – enriching
the wicked at the expense
of the destitute. By fostering
an expedient culture
of rank entitlement;
for egregious criminality,
the waiving of comment,
censure or consequence.
To the bloating of a state
of depravity. To the
sickening of humanity.

-

2.

-

By wilful ignorance

In full knowledge of the facts.
In the lies told and repeated.

-

Through a disgrace
of exploitation
by the powerful
of the dispossessed.
Oppression, trauma
and fear cynically applied,
manipulated, unresisted,
persistently preferred,
unquestioned,
doubled-down on,
decade by decade
by decade...
to the most macabre
and grievous
plot twist – a history
far stranger than the fictions
which followed.

-

3.

-

In the loud shouting-down
of History and of Truth
through the devices
and desires of twisters,
swindlers, charlatans
and knaves, adroitly
re-allocating atonement
from the perpetrator
to a more convenient sacrifice.
Duping the Many
for the benefit of the Few.

-

4

.-
By hatred. By indifference.
In covetousness and
in greed. By every form
of malice aforethought.
By sleight of Law
and obfuscation. By
conspiracies and individuals –
famous and obscure –
in infamy.

-
By evil choices
taken in the recesses
of venal hearts
and minds. By
empty lives
seeking whom they
may devour, revenging
dissolution's
dissatisfaction on
purer souls.

----- **ISRAEL & ITS ALLIES ARE COMMITTING GENOCIDE** -----

By razing all signs
of human habitation.

5.

-
In the systematic targeting
of every hospital, clinic,
school, university, centre
of civic governance, place
of worship, sport or leisure.
The guides and leaders.

6.

-
The double-taps on relatives
and friends, civil defence,
medics, first responders,
and any other compassions
rushing to the rescue.

7.

-
In the bombardment of every
structure facilitating well-being and survival.

8a.

8b.

-
By the burning alive
of displaced families
sheltering in makeshift tents.

9.

10.

-
By mass-production
of child amputees severed
with no anaesthetic. By
denial of prosthetics.

-
Through snipers
chalking up expertise
by junior body part,
picking off
the next generation
one by one by one.
By cutting off tinies
in incubators, and in the
wombs of their mothers,
the hearts and loins
of their fathers.

11.

-
By tanks driven
over the bodies
of the wounded to
finish the job.

12.

-
By the bulldozing

Into mass graves
of the tortured,
mutilated, blindfold
and zip-tied,
at least some
believed alive.

-

By famished dogs
devouring precious
human remains,
scattered as carrion –
unrecoverable under fire.

ISRAEL & ITS ALLIES ARE COMMITTING GENOCIDE

For the R and D of tech.
For the testing of weapons
of bodily vaporisation
vacuuming inconvenients
as trash. In trialling
competing methods
to bury humans beneath
the rubble of their homes.
For perfecting the art of
controlling populations.

ISRAEL & ITS ALLIES ARE COMMITTING GENOCIDE

Through mass incarceration.
Men, women, children –
days, months, years
without trial. In deaths-
in-detention. In the
potential pickings for
the skin and organ banks.
In the bodily remains
continually withheld from
their beloveds.

-

Through the violation
of body, mind and soul
to the furthest reaches
of a prodigiously degenerate
imagination, in an orgy
of depraved desecration.

-

In a lasciviousness of
experimentation. Blood,
puke, piss, shit, bruising,
nakedness, wounds,

limbs torn asunder,
penetration. In organs
fatally ruptured per
anal insertion of metal bar.
In an obscenity of dogs
trained to maul and to rape,
straining at the leash
to slaver promiscuously
over captive human beings,
weakened by beatings
against all resistance.

-

In incisions reverse-
engineered to the bodies
of surgeons and other
physicians. (For the prevention
of the prevention of death –
to future-proof elimination).

-

In an unstitching of being,
the gouging of human;
to every crevice a scalpel,
erasure beyond even
humiliation.

-

In the intense debate
on the telly
affirming the
Righteousness of Rape;
the moral obligation
to systematically
practice it
on the detained.

-

In the lust for
salacious confession.
By drooling in camera,
on camera, in ecstatic
self-owning. By the
blanket of official denial –
the disconnect blatant,
persisting, immovable
(for the assists, for impunity,
to protect the complicity).

ISRAEL & ITS ALLIES ARE COMMITTING GENOCIDE

For the advanced
development of drones,
for the fine-tuning of

quadcopters aping
the piteous cries of a child
in distress. An irresistible
lure for those whose
hearts are well-known
for being flesh and not stone.
For the marketing.

-

13.

ISRAEL & ITS ALLIES ARE COMMITTING GENOCIDE

By manufacturing mass
starvation. By deprivation
of food, water, health,
hygiene, fuel and shelter,
hands, arms, feet and legs,
of learning and of play.

-

14.

-

By targeting the hungry
at multiple feeding sites.
By barring thousands
upon thousands
of trucks, holding them
in interminable lines,
metres from the starving,
the food rotting.

-

15.

-

By murdering those

bringers of aid
it is too impolitic
to refuse entry. So they
determine – as designed –
to cease their life-saving
operations. By taking
very many genocidal
suns and moons
to decide it was a mIsTaKe
or an AcCiDeNt

-

16.

-

In wholesale destruction
of water pipes,
desalination plants, the
entire waste and sewage
construction. In conspiracies
pressed and insisted
against longstanding bodies
legally required and allocated
to undergird survival.

-

In the malignant
wasteland of ecocide.
By disease and infection.
Through dysentery.
By the proliferation of
infestation; rats – hungry
and emboldened by the
imposition of collapsed
sanctity – chewing at
living flesh, biting into
babies' faces by night.

-

17.

ISRAEL & ITS ALLIES ARE COMMITTING GENOCIDE

By barring all external
reporters and investigations.

-

By martyring 300
singular, heroic, beautiful
and haunting voices,
bringing the news of
their own genocide
without despair, faithfully
delivered against
the official target on
their backs.

-

18.

-

19.

-

(Failing to wipe their words,
their essential testimony,
their blessed memory,
from our souls, forever
knit with theirs.)

-

20.

ISRAEL & ITS ALLIES ARE COMMITTING GENOCIDE

By those whose life's

work consists in
erasing Palestinians
and their defenders
from the face of the Earth,
still walking freely
among us, their influence
unconstrained. By those
who still pretend not
to see them. And yet
others who still furnish them
every possible aid.

ISRAEL & ITS ALLIES ARE COMMITTING GENOCIDE

21.

-

By the joining of hands
to a harvest of low-hanging
fruit. Because the latest
Industrial Revolution
to supercharge the economy
for a few billionaires –
is AI, Tech (for every form
of population oversight,
domination, control and
repression), & the Arms Trade
(for endless death).
In all of which the
Occupation and its Lobby
are heavily invested
worldwide.

ISRAEL & ITS ALLIES ARE COMMITTING GENOCIDE

Because of the
'important, shared
national security interests
we have...on which we
will continue to cooperate *
notwithstanding
the continuance of
g-e-n-o-c-i-d-e

ISRAEL & ITS ALLIES ARE COMMITTING GENOCIDE

Because, in the full
knowledge that
everyone possessing
a screen is witness to
this first ever live-streamed
extermination and/or
removal of a whole
people from their Land,
the atrocities still proceed
without remission
or shame, in plain sight
of the whole world,
while governments
and lawmakers break
every law on their own
statute books, as well as
those they're externally
contracted to, and every
common law known
to the heart, mind and soul
of humankind to render
the perpetrators
every assistance, as they
work like demons
to shut down and even
criminalise their own
people's moral resistance
to this evil of all evils,
entrenching themselves
deeper and deeper
in the abject horror
of Genocide Denial.

ISRAEL & ITS ALLIES ARE *still* COMMITTING GENOCIDE

This is the time of trial –
perhaps as never before.

-

Justice will not cease her demands.

-

She has a commission,
she is ordained,
she will not fail.

She calls day on day
in this blood
we cannot wash away.

-

She defines us all.

-
Let equivocation end.

-
Silence cannot save you;
silence is choice.

-
Confess your alignment,
Let the divide be manifest.

-
Embrace this if you will.

-
Take it as your own, if it is.
Or renounce it now.

-
The rocks will not hide you
when you flee from the wrath to come
